FOR TEAMS & GROUPS

If you are ordering as part of a team or larger group, please ensure that your Team Representative clearly indicates all allergies and intolerances on the Menu & Order Form.

This allows our kitchen to identify and prepare meals correctly.

IMPORTANT NOTICE

Our kitchen handles a variety of ingredients, including allergens.

While every effort is made to prevent cross-contamination, we cannot guarantee the complete absence of trace allergens.

Guests with severe allergies are strongly encouraged to speak directly with a member of staff before ordering.

RISTO DANITA ApS

Quality, Authenticity and Guest Safety.

VEGETARIAN, VEGAN & GLUTEN-FREE OPTIONS

At Risto Danita, we believe that everyone should be able to enjoy an authentic Italian dining experience.

We are pleased to offer options for guests following vegetarian, vegan or gluten-free diets.

VEGETARIAN OPTIONS

Vegetarian alternatives are available on request.

Our kitchen can prepare meals without meat or fish using carefully selected ingredients and authentic Italian recipes.

Please inform our staff when placing your order.

VEGAN OPTIONS

Vegan alternatives are available on request.

Depending on ingredient availability, our chefs can adapt selected dishes to meet vegan dietary requirements.

We recommend informing our staff before ordering so we can suggest the most suitable options.

GLUTEN-FREE OPTIONS

Gluten-Free pizza bases are available on request.

Please advise our staff before ordering.

An additional charge may apply.

TEAMS & GROUPS

For teams and larger groups, please ensure that your Team Representative clearly indicates:

- ☒ Vegetarian requests
- ☒ Vegan requests
- ☒ Gluten-Free requirements

on the Menu & Order Form.

This allows our kitchen to prepare meals correctly and helps us provide the best possible experience for your entire group.

⚠ IMPORTANT INFORMATION

While we take great care when preparing special dietary meals, all food is produced in a kitchen that handles wheat, gluten, dairy products, eggs, nuts and other allergens.

Guests with coeliac disease, severe allergies or specific dietary concerns are encouraged to discuss their requirements directly with our staff before ordering.
